

The Panther

1960

Jan,

This book looked so nice, too bad I'm the one who has to start messing it up.

See ★! —, —, — Story's pen quit and then mine messed up but good!

I have been blessed with your friendship during our short association of four years and hope for a continuation of same.

My goal was to get to know you better. Now my goal is to get to know you well. I am looking forward to at least twice as much fun for us in the future as we have had in the past.

If you're ever in need of anything, call on me.

A good friend,

Max

Jan,

You are a fine girl and a good friend. You have a wonderful personality and smile. I have really enjoyed going to school with you.

Stay the way you are and you will have no trouble. Best wishes,
a friend, Pat

Dear Jan,

I have enjoyed knowing you these past years. I've had lots of fun writing notes to you this year. Let me know where you sit next year & I'll write notes again. Best of luck in everything.

Love,
Karen

To a very wonderful girl, that I have enjoyed knowing. I want to wish the most in every thing you do. This is not enough space to write all I feel.

Jan,

This has been the best year ^{since} we've been in school. We've had so much fun in our school activities and also outside of school.

Lately we have double-dated together and then there are all the other things we have done together. I hope we

can continue to have as much fun as we have been having.

The big event is yet to come.

(Jr.-Sr. Banquet) and I think we will have a good one.

I hope you will always be happy and with your personality, I know you will.

Love ya,
Betty

Jan
I have had a lot of fun going to school with you this year. I hope you all have as much fun next year.

Dear Jan,

Bill

Dear family,
 you're a sweet and
 wonderful girl, also a great
 member of the church.
 I hope you are often busy
 with your friends and
 the world.

Jan,

I don't know how to begin this, because there is so much I could say to you. Haven't we had a ball these past years and especially this one. All those times we went to the "Dina" station & saw ole' Tommy, wasn't that loads of fun. Jan I can't tell you how much you have meant to me especially this year. Jan you're the cutest, sweetest girl I've ever known, and you have a great personality. All I have to ask of you is that you do the right thing about your future. Tommy is a simply great boy and I think loads of him he is so crazy, stupid, idiotic, & mercy only knows what else. I want you'll to always have the best of everything in life, but I do want you'll to do the right thing. You're right about us going to ^{the} Mexico boy I'm all for that. Remember our "ole constitution" boy I can't believe I've broken it so many times. Jan, this isn't all I have to say but the rest I think you know. Best of luck to you always cause you really deserve it.

Dear Jan,
It really is a great honor to write in your annual this
year especially since this will be the last time while
I am in school. We have really had some great times
together also a lot of good plans. Some of our plans turned
out but some of them didn't anyway it sure was fun. I want
to wish you the best of luck in everything you undertake &
do. I hardly know how to say everything I want to but I
know you will go far in this good old world with your
great personality and good looks. Best of luck to you
and Jimmy or whoever it may be. Just remember to
work hard next year and really enjoy it (I know you
will). You will have to come and stay with me this
